Pavement patching work to begin Dec. 4 in the Twin Tower parking garage

Access into and out of the parking garage will be maintained during the work

November 27, 2023 (Peoria, IL) Beginning on Monday, December 4, concrete pavement patching work will begin in the Twin Towers underground parking garage, 419 Fulton Street. This pavement patching work will start on Parking Level 1 (P1) at the corner of Madison Avenue and Fulton Street. Patching work will progress through all areas of the deck.

During the patching work, access into and out of the parking garage will be maintained. Alternative routes throughout the garage will be marked and unavailable parking spaces will be posted in the construction areas.

Construction noise will be present during the work hours. Drivers should be mindful of workers and the restricted areas throughout the parking garage. Extra caution should be exercised in the area.
