Pothole repairs begin Thursday, Jan. 25 throughout the City

Public Works will focus on filling potholes on arterial streets

January 24, 2024 (Peoria, IL) With warmer temperatures on the way and wintery weather out of the picture, for now, Public Works crews will begin identifying and repairing potholes on arterial streets. Beginning tomorrow, Thursday, January 25, and continuing until conditions change, pothole repairs will be the Department's primary focus.

Pothole identification and repair will occur throughout the entire City. Repairs will be made on arterial and primary streets before residential pothole repairs are addressed.

Potholes on residential streets will be addressed based on service requests entered through Peoria Cares or by contacting Public Works at 309-494-8800. Service requests through Peoria Cares can be submitted in the following ways:

- By phone at 309-494-2273 on Monday-Friday between 8 am to 6 pm, and Saturdays from 9 am to 1 pm.
- Through the Peoria Cares App.
- Or by using the [Peoria Cares Website Map](#).

Drivers should be mindful of traffic pattern shifts and workers in the roadways. Please slow down and use extra caution in the areas where workers are present.
