Traffic signal work to occur at the intersection of Allen Road and Townline Road

Work will occur from 9 am to noon on Monday, Feb. 19

February 16, 2024 (Peoria, IL) Beginning at 9 am on Monday, February 19, traffic signal work will occur at the intersection of N Allen Road and W Townline Road. Work is scheduled to last until noon. During this time, traffic signals will be inoperable, and portable stop signs will be in place.

As a reminder when traffic signals are out, drivers should treat the intersection as a four-way stop. Drivers should yield to any vehicle that is already in the intersection and if two vehicles arrive at the intersection at the same time, the car on the right always has the right-of-way.

Please use caution and watch for workers at the intersection.
