Lane closures will begin on April 1 on Wisconsin Avenue for milling work

Through traffic lane and intersection closures will occur during the reconstruction project

March 27, 2024 (Peoria, IL) Beginning on Monday, April 1, rolling lane closures will take effect on N Wisconsin Avenue between E Nebraska Avenue and E McClure Avenue, weather permitting. These lane closures will last through Tuesday, April 2, and are necessary for milling work as part of the Wisconsin Avenue Reconstruction Project.

On Tuesday, April 2, N Wisconsin Avenue will be closed to through traffic between E Thrush Avenue and E Frye Avenue. E Thrush Avenue, N California Avenue, and E Republic Street will all be closed at N Wisconsin Avenue.

These closures are expected to last through mid-summer, weather permitting.

On-street parking restrictions will be in effect along N Wisconsin Avenue while the work occurs. Drivers should watch for no parking signs in the area. Motorists also should watch for flaggers and be aware of changing lane restrictions on Monday and Tuesday.

Drivers should exercise extreme caution in the area, slow down, and be mindful of workers in the area. Drivers should expect delays and are encouraged to seek alternative routes, if possible.

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Wisconsin Avenue Reconstruction Project progresses.
