Right turns onto eastbound Pioneer Parkway from northbound University Street will be permitted

Aug. 13, 2024 (Peoria, IL) Beginning at 7 am on Wednesday, Aug. 14, a change to the northbound University Street right turn lane onto eastbound Pioneer Parkway will occur. The turn lane will be shortened in length and is necessary for utility work as part of the Pioneer Parkway and University Street Reconstruction Project.

While the utility work is occurring, right turns onto eastbound Pioneer Parkway **will be permitted**. The work is expected to last through Friday, Aug. 16, weather permitting.

Delays should be expected, and drivers are encouraged to use alternative routes, if possible. Extra caution should be exercised in the area.
