**MacArthur Highway and Moss Avenue Intersection Placed in All-Stop Configuration**

*Drivers should be mindful of the temporary stop signs and use caution in the area*

Aug. 9, 2024 (Peoria, IL) As part of the MacArthur Highway – Martin Luther King Jr. to Moss Avenue Reconstruction Project, temporary stop signs have been placed at the intersection of MacArthur Highway and Moss Avenue. The all-stop configuration is necessary for traffic signal work and will last for the foreseeable future of the project.

As a reminder, drivers should yield to any vehicles that are already in the intersection and if two vehicles arrive at the intersection at the same time, the car on the right always has the right-of-way.

Drivers should be mindful of the temporary stop signs and should use caution in the area.
