Isabell Avenue and Shenandoah Drive Intersection Closure Set For Oct. 22

The closure is necessary for storm sewer repairs and is expected to last one week

Oct. 20, 2025 (Peoria, IL) Beginning at 7 a.m. on Wednesday, Oct. 22, the intersection of N. Isabell Avenue and W. Shenandoah Drive will be closed to all traffic. This closure is necessary for storm sewer repair work and is expected to last one week, weather permitting.

Drivers should be mindful of the closure and exercise extra caution in the area. The use of alternative routes is advised.

Shenandoah Drive Closure

- To access the blocks of W. Shenandoah Drive between N. University Street and N. Isabell Avenue, drivers should utilize N. University Street.
- To access the blocks of W. Shenandoah Drive between N. Sheridan Road and N. Isabell Avenue, drivers should utilize N. Sheridan Road.

Isabell Avenue Closure

- To access the blocks of N. Isabell Avenue between W. Shenandoah Drive and W. Austin Drive, drivers should utilize W. Austin Drive.
- To access the blocks of N. Isabell Avenue between W. Shenandoah Drive and W. Glen Avenue, drivers should utilize W. Glen Avenue.
