**Moss Avenue and MacArthur Highway Have Returned to Normal Traffic Configurations**

*Drivers should be mindful of the return of two-way traffic on Moss Avenue*

Dec. 18, 2025 (Peoria, IL) N. MacArthur Highway and W. Moss Avenue have returned to normal traffic configurations. The changes come as both the Moss Avenue – Sheridan Road to Western Avenue – Reconstruction Project and the MacArthur Highway – MacArthur Highway Bridge to Howett Street – Reconstruction Project enter the winter shutdown period.

**Moss Avenue Reopened**

- W. Moss Avenue from N. Western Avenue to N. Sheridan Road has reopened to **TWO-WAY TRAFFIC**. Drivers should be aware of the return of **TWO-WAY TRAFFIC** and the on-street parking lane.

**MacArthur Highway Reopened**

- N. MacArthur Highway from W. Moss Avenue to W. Fourth Street has reopened to all traffic.

**Moss Avenue and MacArthur Highway Intersection Reopened**

- The intersection of W. Moss Avenue and N. MacArthur Highway has reopened to all traffic.

Drivers should use caution in the area and be mindful of the return to normal traffic configurations.
